

# 2016 ICN PhD PROGRAM EVENTS

## PAST EVENTS

**18 March 2016: Tutored seminar**  
INT, R+1, 12H30

**Pier Vincenzo Piazza**  
Neurocentre Magendi, Bordeaux

*The discovery of a new pharmacological class of specific inhibitors of signaling CB1 receptors (CB1-SSi)*

---

**21-22 March 2016: Training Course**  
INT, Salle R+1, 9-17h

**Statistic Course**  
**J.M.Hupé**  
CNRS CERCO UMR 5549, CHU Purpan, Toulouse

---

**29 March 2016: Special event**  
Hôpital de la Timone, Amphithéâtre HA3, 20h  
**Conférence du Pôle de Neurosciences Cliniques**

---

## FUTURE EVENTS

**19 Avril 2016 : Special event**  
Salle CERIMED, 14-17h

**Journée de communication**

---

**25 April 2016 : Special event**  
Pôle 3C, St.Charles, 9-17h30

« Rendez-vous de la cohorte : poursuite de carrière », Sciences Cognitives et Comportementales

---

**20 May 2016: Neuroethics Day**  
INT, Salle Gastaut, 9-18h

**Eric Racine**  
*Neuroenhancement technologies*  
**Jens Clausen**  
*Neuroethics of brain-hardware interface*

**Jennifer Chandler**  
*Application of neurosciences in legal practice – ethical and legal issues*

**Athena Demertzi**  
*Ethics of functional brain imaging*

**Bernard Baertschi**  
*Neuroscience of ethics and philosophical implications*

---

**23-24 May 2016: Training Course**  
INT, Salle R+1, 9-17h

**Computer programming**  
**Sylvain Tarkerkart, Olivier Coulon, Julien Lefèvre**  
INT, Marseille

---

**23 June 2016: Tutored seminar**  
INT, R+1, 12H30

**Matteo Carandini**  
UCL, London  
*From Vision to Decision and Navigation in Mouse Cortex*

---

**30 June 2016: Special event**  
Salle CERIMED, 9-18h

**Workshop “Brain Machine Interface”**

---

**30 September 2016: Tutored seminar**  
INT, Salle R+1, 12H30

**Ian Duguid**  
Centre for Integrative Physiology, Edinburgh University.  
*Dendritic excitation-inhibition balance shapes cerebellar output during motor behaviour*

# 2013-2014 ICN PhD PROGRAM EVENTS
